

# Chomp Out Hunger

BTM Engineering participated in Dare to Care's 6<sup>th</sup> annual CANstruction design/build competition. BTM's talented design team transformed food items into an illusion of PacMan traveling the "good food" maze!

BTM's CANstruction display at Mall St. Matthews made out of 1100 food items!

BTM won the Spirit of the Community Award.  
Our CANstruction design team: Phil Heid, Nathan Chappell, Paul Belshoff, Jay Robertson, Hannah Gill
